An article in "The Daily Princetonian," Princeton, New Jersey, dated 10/11/57, captioned, "Kasper Backer to Ask For 'Citizen's Councils' At Princeton, Columbia," reflects that DAVID R. WANG, self-styled segregationist and disciple of JOHN FREDERICK KASPER, will launch his campaign to start Ivy League White Citizens councils this month at Princeton, Yale, and Columbia. WANG plans to speak at Columbia and Yale this month. He plans to speak in Princeton early next month, with the aid of friends whom he refused to identify, who will help him set up and carry out the speech.

The article reflects that WANG, a Dartmouth alumnaus, being class poet there in 1956, is a Chinese National, a free-lance writer by profession, and opposed to any sort of integration among races except where foreign exchange students are involved.

Neither Princeton nor Columbia officials had heard of [] or plans for speeches before yesterday (10/10/57). Yale authorities could not be reached, the article continued.

[] reportedly is preparing a series of bulletins discussing the segregation issue which will be distributed to political organizations at all Ivy League universities.

Subsequent to [] recent participation in a New York meeting with Kasper and a group known as the NORTH AMERICAN CITIZENS FOR THE CONSTITUTION, KASPER announced the formation of a new third party in national politics to be known as the WHIB PARTY. The WHIBS are to enter politics in this November's Tennessee gubernatorial contest, the candidate to be announced shortly, according to WANG.

The name WHIB stems from a sort of analogy in that their aim is to restore the Constitution to the republic so that it has the same relationship wheat has to bread, [redacted] continued.

[redacted] has said that the Supreme Court Justices who handed down the school integration ruling are guilty of "treason against the Constitution." Yesterday (10/10/57) he carried this a step further hurling invectives at Presidential Assistant [redacted] Attorney General [redacted] and Press Secretary [redacted] stated that they are "unfit to think." He classed Secretary of State BULLES as a "wishy-washy socialist."

KASPER [redacted] claimed, desires to make Ivy League speeches but is unable to appear because of federal court action.

Through the establishment of White Citizens councils on Ivy League campuses, [redacted] and KASPER hope to win Northern intellectuals to their side in the segregation fight, the article concluded.

An article in the "Sunday News," New York 17, New York, 10/13/57, Page 1 of Newark Section Two, captioned, "Act to Block Princeton White Council, Tumult Demands Proxy Curb Race Riot Threats," reflects that former New Jersey Representative T. JAMES TUMULTY, in an attempt to head off what he fears may lead to a repetition of the Little Rock (Arkansas) racial riots on New Jersey college campuses, will demand tomorrow (10/14/57) that Princeton University President Dr. ROBERT F. GOHEEN curb a threatened move by his students to form a White Citizens Council.

According to a story in a recent issue of "The Princetonian," a network of Northern supporters of rabble-rouser segregationist JOHN KASPER were said to be readying a drive to establish segregation councils here (Princeton) and at other Ivy League schools, the article stated.

KASPER is said to be allied with a Chinese exchange student, [redacted]

NY 105-3383

and who is said to feel that there are times when violence of sorts must be used to enforce segregation.

The paper (The Princetonian) ran a story captioned, "Segregationist Will Organize Ivy White Citizens Council," as well as an editorial supporting the idea.

Princetonian Chairman [redacted] termed the editorial satirical. A spokesman for [redacted] said any attempt to start a White Citizens Council was not being taken seriously by the University; however, he admitted that since much of the student body was from the South there is a possibility that the story might drum up a segregation move.

b6
b7c

[redacted] blasted the school officials for taking the move so lightly, stating, "It sounds like an outright invitation to Kasper or any segregationist to come to Princeton. [redacted] should put a stop to this move right now before it gets out of hand and leads to violence," the article concluded.

Re: DAVID R. WANG

The Yale Daily News, a student newspaper at Yale University, New Haven, Connecticut, issue of January 9, 1958, page 1, has an article reflecting that the Yale Political Union, a Yale Undergraduate parliamentary debating society, had rejected the request of DAVID WANG to be a guest speaker before the Union and hold a racial debate.

The article described WANG as a "racial nationalist" and northern segregationist, who has often been "linked with JOHN KASPER, famed segregationist." WANG was also described as "the 26-year-old executive secretary of a group called 'The North American Citizens for the Constitution'." This article also noted that "earlier, the John Dewey Society (at Yale) turned down a similar offer" of WANG's.

The Bridgeport Herald, a weekly newspaper of Bridgeport, Connecticut, issue of January 19, 1958, page 5, contains an article which reflects in substance the same information as set out in the Yale Daily News article supra. However, the Bridgeport Herald article added that STEPHEN W. MATTHEWS, president of the Yale Political Union, told the Herald that the debating group's executive committee felt that having WANG at Yale would serve no worthwhile purpose, hence rejected his offer.

This memorandum is loaned to you by the Federal Bureau of Investigation and neither it nor its contents are to be distributed outside of the agency to which loaned.

It is to be noted that the Supreme Court of the United States on 10/14/57 refused to review JOHN KASPER's case in connection with his conviction on 8/31/56 for "willful contempt" for interference in desegregation of the Clinton, Tennessee, High School. On 10/17/57 U. S. Marshals in Washington, D. C., took JOHN KASPER into custody on order from U. S. District Judge ROBERT L. TAYLOR of Knoxville, Tennessee, and he is currently serving his sentence.

On 12/11/57 WF 1026-S*, who was in a position to furnish reliable information, made available the papers and records maintained in the headquarters of subject organization at Room 5, 1047 31st Street N.W., Washington, D. C. These records were photographed and are being maintained in 100-33226-1B2-1.

Set forth below are the results of a review of this material which consists of approximately 1,800 photographs. These photographs have been numbered. In the event any office desires to have a copy of the original photograph, it will be necessary to set forth the number or numbers of the photographs which appear opposite a name.

The records have been broken down into thirty general categories, and these categories have been assigned abbreviated initials.

It is believed that the names set forth in this letter may be of aid to field offices which have citizen councils in their territory in the event of any eruption of violence due to racial problems.

The attention of each office is directed to the last portion of this letter and to the list of names appearing under the caption, "Address Unknown." It is possible that some offices may recognize the name or partial address.

The categories are as follows:

- ARSNK - This name or address appears in the records of the organization, but the significance is not known. An example is a name and address on a scrap of paper.
- BD Member of the Board of Directors of the Seaboard White Citizens Councils, 1047 31st Street, N.W., Washington, D. C.
- C Contributed money to the WCC or to Kasper Defense Fund. If the amount is known, it will appear after the C as - C5 (contributed \$5.00).
- CC Name appears on a list which is headed "Church Committee." Significance not known.

WFO 100-33226

SB Among the records of WCC was a stenographer's notebook containing shorthand notes. Interspersed in the book, as if at the top of a letter, were names and addresses.

SNK Contained in the records were various lists which were not captioned. The significance of these lists is unknown.

TC A list of names captioned "Telephone Committee."

TK Contained in a notebook was the expression "to KASPER." Thereafter was set forth names and amounts.

TWYC A list of names headed "Tennessee White Youth Council."

TWYCA - Name contained on a "Tennessee White Youth Council Application."

W in an undated letter enclosed a list of witnesses KASPER wanted.

WYC A list of names captioned "White Youth Council."

YL A list of names captioned "Youth Committee."

Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC, BOSTON

FROM : SAC, WFO (100-33226)

DATE: 10/24/58

SUBJECT: WHITE CITIZENS COUNCILS
IS - X

On 10/18/58, [redacted] telephonically contacted WFO and stated that about a month ago she and GORDON HALL of Boston, Massachusetts, visited the Seaboard White Citizens Council's office, 1047 31st Street, N.W., WDC, and talked to a FLOYD FLEMING.

b6
b7C

[redacted] 1830 Jefferson Place, N.W., WDC, stated that she would gladly furnish the results of the conversation to the FBI.

b6
b7C

On 10/21/58, SA ELMER LEE TODD interviewed [redacted] who advised that she and Mr. HALL were at the Seaboard office about the 24th of September, 1958. She stated that HALL is State Chairman of the American Veteran's Committee in Massachusetts, and that he makes a living by lecturing on "hate" group throughout the country.

b6
b7C

She stated that HALL had seen literature in Boston, Massachusetts, emanating from Seaboard office, and that HALL had written to FLEMING asking to talk to FLEMING about the objectives of the Seaboard Council. [redacted] stated that she asked HALL if she could accompany him during the interview. He agreed to this; however, she stated that she used a fictitious name.

b6
b7C

[redacted] stated that FLEMING at times appeared to be very violent and continually used the words "kikes" and "niggers." FLEMING stated that his brother-in-law is a postman in Massachusetts, area, and that he forwards material to his brother-in-law who circulates it in the Boston, Massachusetts, area. [redacted] stated that she does not recall the name of the brother-in-law, but she is certain that Mr. HALL would remember the name.

[redacted] stated that FLEMING stated an [redacted] of NBC, Washington, D.C., had given \$18,000 to Seaboard, and that FLEMING himself had donated \$3,800 to the Seaboard cause.

b6
b7C

FLEMING was described by [redacted] as a convincing talker who continually stressed that money and the circulation of literature was where the biggest problems confronting the Seaboard lie today. FLEMING also mentioned a man in Arlington, Virginia, who worked with Seaboard, and [redacted] stated that HALL mentioned later that this individual was a long-time fascist. [redacted] could only recall that this individual was in the lumber business in Arlington, County, Virginia. FLEMING talked quite a bit on the picketing on the White House by the Seaboard in the Fall of 1957, and he even showed [redacted] and Mr. HALL some of the placards which they used at that time. FLEMING said that if Seaboard could only let the people know the truth about "kikes" and "niggers," the people would then understand the grave situation facing the country in the South.

b6
b7C

[redacted] stated that Mr. HALL at one time worked for [redacted] and that he has written books on "hate" organizations which have been printed by Beacon Press. She stated that Mr. HALL took quite a few notes during the conversation, and that he could furnish the FBI complete details of the conversation.

b6
b7C

Boston is referred to the memo of SA ELMER LEE TODD to the SAC, WFO, dated 9/26/58, captioned "White Citizens Councils, IS - X," a copy of which was forwarded to the Boston Office, in which [redacted] furnished information concerning a man named HALL and a woman named [redacted] who visited the Seaboard office on 9/17/58.

b7D

Boston is also referred to the memo of SA TODD to the SAC, WFO dated 10/3/58, in the same caption, a copy of which was forwarded to the Boston Office, in which [redacted] furnished the name and address of G. D. HALL, 102 Gainsborough, Boston 15, Massachusetts, as the HALL who had visited the Seaboard office;

b7D

WFO 100-33226

Boston is also referred to Bureau airtel to all offices dated 10/16/58, captioned "Bombings and Attempted Bombings in Southern Communities, Racial Matters." This airtel instructed that an intensive investigation be launched of "hate" groups, including the White Citizens Council of the District of Columbia.

Boston is requested to search its indices for any information which would preclude the interviewing of Mr. HALL. In the absence of such information, Boston is requested to interview Mr. HALL to obtain his comments and observations concerning the interview he and [redacted] had at the Seaboard office. Boston should specifically attempt to ascertain the name of the individual in Arlington, Va., who is in the lumber business as well as the name of the postal employee who is circulating Seaboard literature in the Boston area.

FROM: SA RICHARD H. BLASSER

SUBJECT: BOMBINGS AND ATTEMPTED BOMBINGS
IN SOUTHERN COMMUNITIES
RACIAL MATTERS
BUFILE 62-245

Date: October 21, 1958

By airtel dated October 16, 1958, the Bureau advised the following:

"ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

American Committee for the
Advancement of Western Culture
105-22853

(New York)

This organization was promoted in 1953 by the National Renaissance Party and like this organization, was strongly anti-Semitic and pro-Nazi. Investigation was discontinued in 1953 due to inactivity of the organization.

Christian Anti-Jewish Party
65-15743

(Atlanta)

This organization was founded in Atlanta, Georgia, in 1945, by Jesse B. Stoner, a former member of the Associated Klans of America. This organization is anti-Negro, anti-Jewish and a strong advocate of white supremacy.

Christian Educational Association
of Union, New Jersey
105-9621

(Newark)

The Christian Educational Association is the publisher of "Common Sense," formerly known as "Think Weekly." The address of its publisher, Conde McGinley, is 530 Chestnut Street, Union, New Jersey, and the publication itself is a biweekly newspaper with a fluctuating circulation of between 30,000 and 100,000 copies. The material in "Common Sense" has been described as some of the most vitriolic hate propaganda ever published and generally "Common Sense" depicts communism as Judism and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities.

BS 62-3731

Christian Nationalist Crusade,
also known as Christian Nationalist
Party of America
62-43818

(Los Angeles)

The Christian Nationalist Crusade was organized in St. Louis, Missouri, in 1947 and has its headquarters at the present time in Glendale, California. This organization, as well as its subsidiary organization, the Christian Nationalist Party of America, reflects the imprint of its director, Gerald L.K. Smith, whose basic argument has been that the United States is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry. While it is not known whether Smith and his close associates have inclinations to illegal action, the tenor of their public statements and programs is intensely anti-Semitic.

Christian Patriots Crusade,
also known as American Christian
Patriots Party
105-53447

(Chicago)

This is a one-man organization operated by F. Allen Mann in Hinsdale, Illinois. Mann publishes "The Revere," which has been described as anti-Semitic, pro-Fascist and pro-segregation in nature.

Confederate Underground
105-70219)

(Atlanta)

Allegations have been received during July, 1958, that this group was involved in racial bombings in Miami, Birmingham, and Nashville. Its head is allegedly Jesse B. Stoner, associated with the Christian Anti-Jewish Party. Its activities are being discreetly checked to determine whether these activities bring the movement under the provisions of Executive Order 10450.

National Citizens Protective
Association
105-16510

(St. Louis)

The main purpose and objective of this organization, which was formed in 1951 with headquarters in St. Louis, is advocacy of racial segregation and opposition to racial integration. Its constitution calls for the preservation of the purity of the white race in America by maintenance of the separation of the races. This organization published two

BS 62-3731

monthly periodicals entitled "The White Sentinel" and "White American News Service." It has been reported that the organization has had no success in the establishment of chapters throughout the United States but that it continues to publish and distribute large amounts of anti-Negro printed matter.

National Renaissance Party
62-83296)

(New York)

This organization is anti-Semitic, anti-Negro and neo-Fascist in nature with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole and its main function is the distribution of the "National Renaissance Bulletin" and distribution of pro-Arab literature obtained from official Arabian establishments in New York City.

National States Rights Party
105-66233

(Indianapolis)

This organization claims to be a legitimate political party, however, its members include past members of various Klan organizations and notorious anti-Semites. While individual members have, in the past, advocated violence, no information has been developed to date indicating the organization itself advocates or approves acts of force or violence aimed at denying others of their constitutional rights.

Nationalist Party, also known as
United States Nationalist Party
105-33261

(New York)

This organization is basically a one-man organization formed in New York City by West Hooker. It was reportedly an anti-Negro, anti-Catholic and anti-Jewish organization. It published spasmodically in 1955 and 1956, the "Nationalist Party Bulletin."

Nationalist Conservative Party
105-39509.

(Chicago)

Formed in 1954 by William B. Wernecke, a sponsor of the defunct German-American Bund, ostensibly to develop a third major political party. This organization has had limited contacts with such notorious anti-Semites as West Hooker and Eustace Clarence Mullins.

BS 62-3731

Silver Shirt Legion of America
61-7587

(Indianapolis)

This organization, headed by William Dudley Pelley, was extremely active prior to World War II and was considered neo-Nazi and anti-Semitic in nature. This organization has been designated by the Attorney General pursuant to Executive Order 10450. Pelley served a Federal sentence for his activities and since his release in 1950, has been printing material of a noncontroversial nature. No information concerning the organization or Pelley has been recently received and since it is not known whether Pelley has resumed his old practices, a check of the organization seems warranted at this time.

White Citizens Council of the District
of Columbia, also known as Washington
White Citizens Council
100-423395

(Washington Field)

This organization, headed by Frederick John Kasper, the notorious segregationist, is violently anti-Semitic and anti-Negro. The organization was responsible for an extensive antisegregation literature campaign in 1957 and 1958.

"Williams Intelligence Summary"
105-10091

(Los Angeles)

This publication is a monthly news letter of obvious anti-Semitic nature prepared by Robert H. Williams, Santa Ana, California. Williams claims to have vast experience in the intelligence field dealing with the communist menace. However, pertinent records reflect he was associated in a limited capacity with Air Force Intelligence during World War II. Material printed by Williams is often reprinted in "hate" publications such as "Common Sense."

Each office of origin of the groups listed above should launch an immediate investigation to determine whether these groups could be connected in any way with any of the bombings which have occurred since January 1, 1957. In order to accomplish this, it will be necessary to determine the present leaders and membership of the groups and to establish the pattern of their activities during the pertinent period, that is whether they have advocated violence or are of such

a radical nature as to present a potential for violence. These cases must be assigned to mature, experienced Agents and must receive the personal supervision of the Assistant Special Agent in Charge or Special Agent in Charge. Careful planning must go into the approach to these investigations and it is expected the appropriate initiative and ingenuity will be exercised to achieve results. Sufficient manpower must be assigned in order that all investigation may be handled promptly and a determination can be made as to whether any of these groups are involved in the bombings. You must, of course, comply with instructions set forth in reairtel to develop sufficient informant coverage so that you will be advised on a continuing basis of the plans and activities of these groups.

Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advised to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. Of course, any significant development in the case should be promptly furnished to the Bureau by whatever means of communication deemed warranted. All communications and reports submitted concerning a specific group should bear the title of the group with the character Internal Security - X; Racial Matters. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

All offices except the offices of origin in the groups listed above should search their files for information concerning the above listed groups and promptly furnish such

BS 62-3731

information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention.

In those instances where no Boston file number exists for the organization for which a copy of this memo has been prepared, it is recommended that a dead file be made.

"Who's Who in America" for 1958-1959 described MAC LEISH as a Poet, who was born May 7, 1892. He has received numerous degrees and at one time was Assistant Secretary of State (1944-1945). Since 1949 he has been a Professor of Rhetoric and Oratory at Harvard University.

"The Boston Globe", a daily Boston newspaper, on June 4, 1956 carried an article captioned, "Smith Act Audience Hears MacLeish Hit Communism". The article said that MAC LEISH described Communism at this meeting as "Stalest, stupidist and most brutal job ever perpetrated on the decent aspirations of the human being".

There is no information in the Boston files indicating the existence of the following organizations in this area:

1. North American Citizens for the Constitution
2. Christian Educational Association of Union, New Jersey

The "Providence Journal", a daily Providence newspaper, on October 17, 1958 carried an article captioned, "Hate Sheet Mailed in Providence Area". This sheet entitled, "Common Sense", was dated August 1, 1958. According to the newspaper article, it is published by CONDE MC GINLEY of Union, New Jersey and is being received in the Providence, Rhode Island area by business and professional people with obviously non-Jewish names. According to the newspaper article, Providence is the only area in the Northeast in which the sheet is being mailed. Stapled to the sheet is a mimeographed letter, signed "From a Friend". INFORMATION CONCERNING

On 11-26-58, [redacted] (cover by request) furnished an inter-office memorandum of the [redacted] and [redacted] captioned G. LINCOLN ROCKWELL and [redacted] and a dated 11-17-58. The original was returned to [redacted] and a Photostat is being retained in 100-34886-1A.

This memo sets forth the results of interviews with ROCKWELL and [redacted] made by BEN BAGDIKIAN of the Providence, Rhode Island, Journal. BAGDIKIAN interviewed [redacted] over the phone. BAGDIKIAN mentioned that he got [redacted] to talk by appealing to his intellectual vanity and the fact that [redacted] and ROCKWELL had broken relationships recently helped a great deal. [redacted] was eager to talk about ROCKWELL.

According to the memo, [redacted] told BAGDIKIAN that he has in his possession copies and negatives of a thousand documents about Jews which he has gotten from sources within the Government. When he said some of them were top secret. BAGDIKIAN asked him how he happened to have them. [redacted] answered "I had them declassified." He admitted getting material from the National Archives and the Library of Congress. He talked about secret documents which he had in his possession, that had come into the hands of the American Forces which went into Russia during the Revolution. These articles show that LOEB, of Kuhn and Loeb, gave financial assistance to the Revolutionists. He talked about other information which he has about the Jews that no one has seen in print because the Jews control the American Press.

[redacted] stated that he wanted to get this information about the Jews into the hands of the public. He had hoped to have ROCKWELL, who is a printer, handle the publication of this "top secret" information. He told BAGDIKIAN that he has a \$6,000 printing press which he had been prepared to give to ROCKWELL before they had their disagreement. When asked by

BAGDIKIAN where the press was now, [] replied that he had it, and then added "I have to put on overalls and put out my own stuff." [] admitted putting money into the Croamelin for Governor Campaign, but denied any association with JOHN KASPER. [] indicated that he did not consider KASPER an intellectual and that he thought KASPER would appeal to ROCKWELL.

b6
b7C

Concerning his interview with ROCKWELL in his Arlington, Virginia, home, BAGDIKIAN thought that ROCKWELL considers himself a leader. ROCKWELL didn't state whether or not he was moving from his home, but BAGDIKIAN felt that he might have been moving some of his printing material and other valuables so that it couldn't be attached. Like [] ROCKWELL talked about supporters without going into any detail about their number or financial status. He admitted knowing CONDE MC GINLEY. He stated that he would appear for the men arrested in Atlanta. While on the subject of the picketing of the White House, ROCKWELL mentioned that he had instructed his followers that "If the Jews attack us, hold firm until the police come." ROCKWELL went on to explain "We are not worried, we have some boys who know what to do when it comes to the strong arm stuff." ROCKWELL mentioned that he had no connection whatsoever with the Arabs, but stated that [] was in touch with the Arab Secret Service.

b6
b7C

Boston should give consideration to interviewing BAGDIKIAN concerning his interviews with [] and ROCKWELL. [] has advised that it would be all right to mention the fact that [] had furnished information to the FBI.

This memo reflects that FLOYD FLEMING had been interviewed by BEN BAGDIKIAN of the Providence Journal on 11-14-58. BAGDIKIAN spent two hours with FLEMING. FLEMING advised BAGDIKIAN as follows:

FLEMING retired this past Summer and was now devoting all of his time to the Seaboard White Citizens Councils. He said he was in Rhode Island "doing missionary work" for his organization and he claimed six or seven members in Rhode Island. BAGDIKIAN asked FLEMING to identify his Rhode Island supporters, but FLEMING refused and would only say that they resided in Providence, Paytucket, and Central Falls. FLEMING mentioned that he had been in the Providence area for a few days and that he was returning to Washington, D. C., on Saturday, 11-15-58. He said he was visiting a relative residing in Boston. The memo sets forth that this relative was identified as [redacted]

b6
b7C

[redacted] FLEMING indicated that he makes numerous trips to Boston and often stops in Rhode Island to meet his contact.

BAGDIKIAN asked FLEMING about his contact with CONDE MC GINLEY. FLEMING mentioned that MC GINLEY was a fine man, that he has a great deal to do with MC GINLEY, and has helped to circulate "Common Sense." FLEMING denied

responsibility for the recent anonymous mailing of "Common Sense" in the greater Providence area. He admitted making large deliveries of "Common Sense" for MC GINLEY, but said he was not responsible for what happened in Rhode Island. He admitted that he had met JOHN KASPER through MC GINLEY and that the first time he saw KASPER was when he delivered 1,000 copies of "Common Sense" to KASPER at the latter's book store.

According to BAGDIKIAN, FLEMING is completely in awe of KASPER and that as a matter of fact, the reason FLEMING had come to see BAGDIKIAN, was to object to the mention made by BAGDIKIAN in his recent articles on (G. LINCOLN) ROCKWELL and [redacted] wherein ROCKWELL is quoted as saying he did not care for KASPER's methods and threats of violence. FLEMING told BAGDIKIAN that he had visited ROCKWELL a few days after the appearance of BAGDIKIAN's article and he had objected to ROCKWELL's attack on KASPER. He said "Let's not pick on each other, let's take it out on the Jews."

b6

FLEMING refused to tell BAGDIKIAN his financial supporters, but mentioned that his group had many small contributors.

Boston should give consideration to interviewing BAGDIKIAN concerning his interviews with FLEMING. [redacted] has advised that it would be all right to mention the fact that [redacted] had furnished information to the FBI.

BEN H. BAGDIKIAN

Re WFO letter, 12-12-58.

Boasfile 94-487 captioned "BEN H. BAGDIKIAN;
MISCELLANEOUS (CRIME RECORDS)" contains the following
pertinent information:

By letter dated 6-6-55, captioned as above, the Bureau
advised Boston to make a search of the indices and to
make a discreet check of credit records for information
concerning BAGDIKIAN, as one BEN H. BAGDIKIAN was the
author of a series of articles released through the
North American Newspaper Alliance which appeared in the
"Washington, D. C. Evening Star".

Boston letter dated 6-8-55 to the Bureau set
forth the following:

"The indices of the Boston Division contain no identi-
fiable references to the above individual.

"The records of the Providence Credit Bureau, 40 Fountain
St., Providence, R. I. disclose a report as of 3-20-52
identifying BAGDIKIAN as a reporter and feature writer
with the Providence Journal-Bulletin newspaper. It
indicated he had entered employment about 2-15-47, having
come to Providence from Monroe, La. His credit record
was favorable and his character and habits were recorded
as good.

The above credit bureau records also indicated that BAGDIKIAN had been born in Turkey and had a former residence at Stoneham, Mass.

"Records of the Immigration and Naturalization Service (INS), Boston, Mass. indicate BEN HAIG BAGDIKIAN, born 1-30-20 at Marash, (Cilicia) Turkey, entered the United States at New York, 6-1-20, approximately two months old, and subsequently obtained citizenship on a derivative basis through his father, ARAM, naturalized 3-29-26. The INS file contains no additional background data other than a request by BAGDIKIAN for a derivative citizenship certificate and an indication he was associated with the Air Force during World War II. It was not possible to obtain any data with regard to ARAM BAGDIKIAN at INS, inasmuch as his file was not immediately available and because of the desire to present this matter to the Bureau by 6-9-55.

"There is enclosed herewith reprint of a series of articles entitled, 'What Price Security', by BEN H. BAGDIKIAN in the nature of reprints from the Providence Journal-Bulletin newspaper during March and April, 1955, individual copies of which have been previously provided the Bureau."

The exact content of the articles furnished to the Bureau is not known by Boston, but it is believed these articles consisted of a critical appraisal of the Government's loyalty program.

The indices of the Boston Office contain several references to ARAM BAGDIKIAN (father), who was born 1-30-20 at Marash, Turkey and whose occupation is a clergyman. Among these references is the following:

Boston report of 1-11-55 by
SA C. H. KOKOLAKIS entitled:
ARMENIAN PROGRESSIVE LEAGUE OF AMERICA,
IS-R & AR-IS ACT OF 1950

Following are excerpts from the above report:

BS 105-3287

"T-8 made available information during November and December, 1954, which disclosed that the ANCA (Armenian National Council of America) sponsored the 34th anniversary celebration of the Sovietization of Armenia in the Massachusetts and Providence, Rhode Island at the following places:

"On December 12, 1954, at 2:00 p.m. at the Rio Restaurant, main ballroom, 40 Thomas Street, Worcester, Massachusetts, sponsored by the Worcester Branch of the ANCA.

"T-8 stated that the honorary presiding officials at the Worcester ANCA affair were ARAM BAGDEKIAN and [redacted] Chairman was [redacted]

b6
b7C

An article appeared in the 12-9-54 issue of the "Hairenik Weekly" (published by an association allegedly anti-Communist) concerning the 34th anniversary celebration of the Sovietization of Armenia held at Boston, Mass. 11-28-54. The newspaper article was sarcastic and critical concerning the above affair and read in part:

"The next speaker, A Reverend (Minister) ARAM T. BAGDEKIAN, was compared by the chairman to the Rev. HEWLETT JOHNSON, the extraordinary 'Red Dean of Canterbury' who 'recently confounded American questioners so badly that they first mounted a mule, and then tried to get off that mule.' BAGDEKIAN's comparison with HEWLETT JOHNSON seem a happy comparison.

"In a long winded prepared speech ('I didn't think I would be allowed to speak freely here today, so I wrote down my speech') BAGDEKIAN reviewed the boring details of his life that had made a 'patriot' of him. 'November 29 is etched in golden letters among all the great dates of history. Armenia is free and progressive. It is as free and as progressive as in the days of Tigranes the Great (this was more than 1954 years back--Ed.HW). November 29 is a miracle, a ray of sunlight. Armenia has a great future. Armenia will soon extend from Mt. Ararat to Cilicia. We are American citizens; we love America. Rebuilt Armenia has filled the people with a new spirit.' He ended by shouting: 'Long live November 29! Long live the Soviet Union.'"

b7D

T-8 is [redacted] who gave the information regarding the 34th anniversary celebration mentioned previously to SA CHRISTOPHER H. KOKOLAKIS on 10-12-54.

BS 105-3287

The "Providence Journal-Bulletin" newspaper on 11-18-55 carried an article captioned "Journal-Bulletin Reporter Gets Foreign Study Grant." This article said that BAGDIKIAN, a "Journal-Bulletin" reporter since 1947 was named by the REID Foundation as one of six recipients of \$5,000 grants for study abroad during 1956.

The indices of the Boston Office fail to reflect any additional information concerning BEN H. BAGDIKIAN.

In view of the above, Boston will not interview BEN H. BAGDIKIAN.

[redacted] U. S. Post Office,

Reurlet, 10-24-58.

Boston maintains a "Dead" file concerning GORDON HALL. This file reflects in part the following pertinent information:

"The Stoughton-News Sentinel", a Stoughton, Mass. newspaper, on 7-20-58 carried an article captioned "Meet A Resident of Town Who Has Answers to Many 'Ism'". This article reflected that HALL has been a "member" of the Christian Front, the National Patrick Henry Organization of Columbus, Ga. and the Ku Klux Klan in his own name. According to the article "GORDON HALL is not - strictly speaking - an underground man, but his light curly head has been seen at meetings of anti-Semites, anti-Negro or anti-Catholic groups."

According to the article, HALL has interviewed CONDE MC GINLEY of Union, N. J. and LEON M. BIRKHEAD, of the Friends of Democracy in 12/46. Concerning MC GINLEY, HALL described him as a "fanatical enemy of democracy."

GORDON HALL, according to former [redacted] on 1-19-51, was an investigator for the [redacted] Committee in Boston. This Committee was founded by [redacted] who set up her organization to combat what she considered reactionary tendencies in this country, particularly such things as anti-Semitism, police brutality, racial and religious discrimination of all types.

Former Security Informant [redacted] on 4-26-50, advised he received a telephone call from GORDON HALL who stated his Committee (the [redacted] Committee) was dropping out of the Committee to End Police Brutality because the Communist Party members were dominating the Committee.

b7D
b6
b7C

Former [redacted] on 10-29-52, furnished a copy of "Common Sense", Union, N. J., which bore the typed signature of CONDE MC GINLEY. It was undated. MC GINLEY attacked HALL in this issue "as a stooge for the Anti-Defamation League and gathers information on patriotic pro-American groups to turn over to the Marxist Jews who are trying to abolish this government. He boasts of being a snooper and speaks for the United World Federalists and other one-world groups, - anything to make a fast dollar while betraying pro-Americans....."

b7D

HALL was associated with - publication entitled "Countertide" which seemed to have made a marked point of attacking certain organizations.

HALL has been described as a young man with a very idealist nature. He served in the U. S. Army Air Force during World War II and his service included 31 months service in the Pacific. He has been employed by the Friends of Democracy in NYC and acted in the capacity of undercover Agent of that organization, gathering information concerning various subversive groups operating in this country, particularly the one headed by GERALD L. M. SHIEL, the Christian Front, the National Patrick Henry Organization of Columbus, Ga. and the Ku Klux Klan.

In view of the above, Boston does not deem it advisable to interview HALL.
